(S) Singapore Customs has an "ongoing dialogue" with Ace Pressureweld, MFA's International Organizations Assistant Director Yvonne Ow told us in a meeting on September 28 (reftel). Customs has met with the company on several occasions to explain Ace Pressureweld's obligations under Singapore law and to highlight international pressure on certain countries of concern, she said. Ow thanked us for the additional information and told us she will pass it to the relevant agencies. She indicated she will provide us an update on Customs' activities related to Ace Pressureweld in the near future.
